"Matured in a mix of American, French, Russian and Hungarian oak. Bottled without fining or filtration. Has quickly developed a reputation as one of the best value Barossan reds on the market. This is a tip top release. Easy-going ripeness with seamless, integrated tannin and juicy, fruity length. Style and substance in an easy-to-like package. Flavours of blackberries and raspberry jubes, streaky dried herbs and kirsch. It's a sweet style of shiraz but it's an excellent example of what the Barossa does so well".

2011/12 Adelaide Review Hot 100 SA Wines

Plush, sleek, deep and dark. Some dried fruit notes on the nose but the palate delivers freshness. Fascinating now but go back again in a couple of years.

TOP SHELF – *"From the north-western Barossa, this shows rich blueberry and plum fruit with spice and toasty oak on the nose and palate, with fine firm tannins on the finish.*

★★★★★ // TOP SHELF

"The Pirathons are regularly among the best-value buys of the year and that certainly goes for this 14.5 per cent alcohol 2010 version... Considering that the 2007 Pirathon won the trophies for best Australian Shiraz and best Barossa Valley Shiraz at the 2009 London International Wine Challenge, the Kalleske's have done wine drinkers a favour by keeping the price at \$23".

John Lewis, Newcastle Herald. November 16th, 2011
