## PIRATHON by kalleske Shiraz 2008

### GOLD MEDAL

*Selections Mondiales Ders Vins CANADA 2010*

### 94 POINTS

*“Very Interesting wine, seemingly sourced from top-quality subdistricts in the northwest corner of the Barossa, and which carries its alcohol well, the red and black fruits of the finish persistent and quite elegant”*

**James Halliday**

*Australian Wine Companion 2011 Edition, 2010*

### 92 POINTS

*“In a spectacular custom bottle this bargain Kalleske looks like a million bucks. Its juicy and spicy with stewed rhubarb and plum flavours, finishing with ripe fruit and soft, subtle tannins. It’s a drink-now proposition and appreciates a chill to tame its 15% abv.”*

**Tyson Stelzer. Wine 100 Magazine, February 2010**

### SILVER MEDAL

*Hong Kong International Wine & Spirit Competition 2009*

*“Exceptional yet approachable Shiraz by Young Winemaker of the Year Troy Kalleske, he knows the Barossa well and all the best growers. Here’s an accessible way to shoehorn some Troy Kalleske genius into your list. It’s a big boy, with 15% alcohol and layers of plush, voluptuous fruit. Add a classy, heavy bottle and very funky label and the price doesn’t look at all right!”*
