★★★★★ 'PRIDE & TRADITION'

"Tradition and pride in the old family vineyards of the Barossa are the foundations of its great reds from top shelf multi-hundred dollar shiraz to far more affordable bottles like this much loved version by the Kalleske mob in the region's north-west. This shiraz carries much the same style as more expensive wines a sense of oak interwoven into a mouthful of dark berry and plum compote, and cheerful despite its concentration, rich but not heavy, a great drink".

★★★★★

Top 2011 Shiraz - "...black fruit with a nice minty lift. Lovely flavour depth to the palate...".

Winestate Magazine, Special Edition 2012

92 Points

"When you read the words Barossa and Shiraz on a label, you know you're in for a bit of a treat but many will charge a premium on the back of the Barossa brand. Pirathon Shiraz is a bit different and it has already picked up a number of gongs for value and the 2007 vintage went further in being named best Australian Shiraz and best Barossa Valley Shiraz at the 2009 London International Wine Challenge. The 2011 edition is bold and full bodied with blackberry flavours and long, fine tannins".
